### WHO ARE YOU SUPPORTING?

The Asbestos Diseases Foundation of Australia (adfa) is a not-for-profit organisation working to provide support to people living with asbestos related diseases, family members, carers and friends.

adfa is a community based group founded by concerned citizens to meet the needs of people affected by asbestos related diseases and provide information to the community regarding the dangers of asbestos.

Help us support adfa's vital funding for asbestos sufferers and their families by purchasing a **Race Sponsorship Package.**

Watch each race in the comfort of the Ted McCabe Function room enjoying a three-course meal, fine wines and beer, soft drinks and the added convenience of betting facilities in the room. You will also meet Jockeys and celebrities, plus much more! We will have fantastic items available in the silent and live auctions and raffle prizes as well!
